Supporting citizens in need

2015

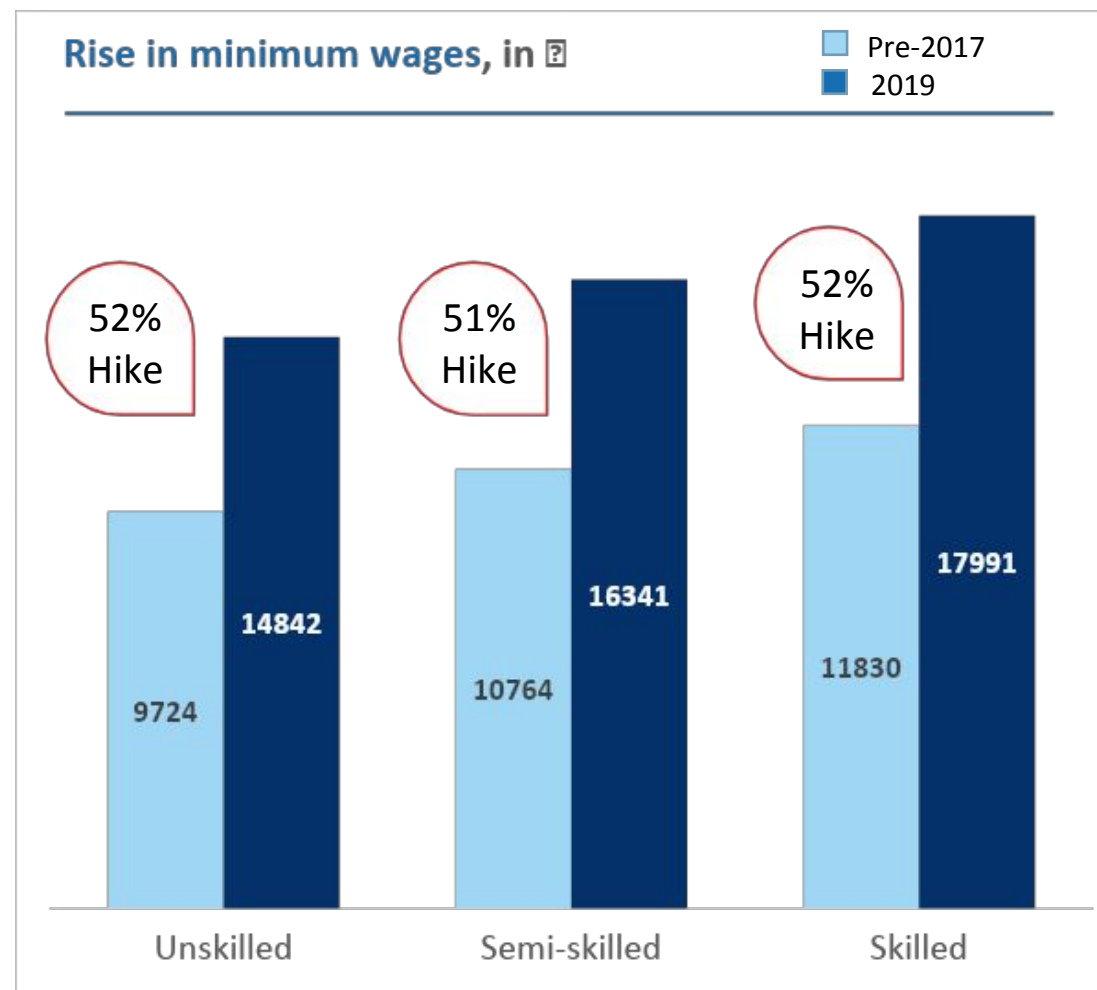

- **Insufficient minimum wages**
- Old age pension **₹1,000 for 60-69 years and ₹1,500 above 70 years**
- Disability pension only **₹1,500** for Delhi residents with more than 40% disability

2019

- Minimum wage increase notified in **October 2019** benefitting **55 lakh workers**, in reducing poverty and dealing with the economic slowdown
- Old age pension increased to **₹ 2,000 and ₹2,500 in 2017**, highest in India
- Disability pension increased by **₹ 1,000**

Minimum wages across categories have been increased at historic rates

Old age pensions in Delhi are the highest in India, with increase in number of beneficiaries and the pension amount

- Senior citizens in the age group of 60-69 years provided ₹ 2,000 as pension against ₹1,000 before 2017, while those above 70 years get ₹2,500 as pension compared to ₹1,500 earlier
- Old age pension is the combined responsibility of State and Central Government. In Delhi, the contribution of the state is the highest as compared to all the states in India, at ₹ 1800 is 90% of the total entitlement*

Old Age Pension, Beneficiaries ('000s)

Delhi Government launched *Mukhyamantri Teerth Yatra Yojana* in July 2019 for senior citizens

- Mukhyamantri Teerth Yatra Yojana offers **free travel packages to citizens of Delhi across 12 religious circuits**
- **35, 000 beneficiaries till December 2019**
- Unlike several other states which provide bare minimum arrangements, **Delhi MMTRY guarantees A/C train passage, all meals, premium accommodation, tour guides, escorts and health insurance coverage up to Rs.1 lac** to ensure the comfort and respect of all seniors

Any registered voter of Delhi above the age of 60, their spouse (above 50 years of age) and one attendant above the age of 21, are eligible to apply

Disability pensions have been increased by ₹ 1000

- Under “Financial Assistance to Differently–Able Persons” financial assistance of ₹2500 p.m. is provided to Delhi Residents more than 40 per cent disabled, between the age group of 0-59 years, with family income not more than 1,00,000/- per annum
- The pension amount was increased from ₹ 1500 till 2017

Delhi has made a head-start with country's first halfway homes for people with psychiatric conditions

- Delhi Government has set up 3 operational halfway homes in Delhi for rehabilitating patients with mental illness who have been declared fit for discharge but need support repatriating
- Before 2017, mentally ill patients were sent to government-run homes such as Asha Kiran and Asha Jyoti, which are meant for the mentally challenged only
- There are a total of 78 patients in Navkiran 1 & 2 and Navchetna has a capacity of 25 patients
